7. New Education Policy (NEP-2020) for BA/B.SC./B.COM 1ST YEAR STUDENTS UNDER SEMESTER SYSTEM

NEP 2020 has been implemented by the H.P. University from the academic session 2026-27 vide notification No. 7-1/2026-HPU (Acad) dated 13th May 2026. Under the National Education Policy (NEP) 2020, Himachal Pradesh University has introduced a flexible, multidisciplinary, and student-centric undergraduate curriculum aimed at promoting holistic education, skill development, employability, and academic excellence. The undergraduate programme is based on a semester and credit-based framework with multiple entry and exit options, enabling students to learn at their own pace and according to their interests and career aspirations. The curriculum integrates traditional learning with practical exposure, research orientation, digital literacy, communication skills, value-based education, and experiential learning.

During the first year of study, students are offered three core disciplines along with Multidisciplinary Courses (MDC), Skill Enhancement Courses (SEC), Ability Enhancement Courses (AEC), Value Added Courses (VAC), and Internship/Apprenticeship/Project/Community Outreach components. This structure provides students with opportunities to explore different academic areas and acquire practical as well as professional skills. At the end of the second semester, students are required to choose their Major and Minor disciplines, which remain applicable throughout the programme as per university regulations. The curriculum also provides flexibility in subject selection across disciplines, thereby encouraging interdisciplinary and outcome-based learning.

The NEP framework emphasizes continuous assessment, academic flexibility, vocational exposure, research aptitude, innovation, and the effective use of Information and Communication Technology (ICT) in teaching-learning processes. Students are encouraged to participate in internships, community Engagement activities, field projects, seminars, and skill-oriented programmes to enhance their practical knowledge and career readiness. The four-year undergraduate structure also provides students with the opportunity to pursue a Bachelor's Degree with Honours or Honours with Research, subject to fulfillment of eligibility conditions prescribed by the University.

The programme further incorporates the Multiple Entry and Exit System, under which students may exit after one year with a UG Certificate, after two years with a UG Diploma, after successful completion of three years with a Bachelor's Degree, or continue the fourth year to obtain a Bachelor's Degree with Honours/Honours with Research. This innovative framework ensures greater academic mobility, flexibility, and inclusiveness while preparing students for higher education, competitive examinations, entrepreneurship, and diverse professional careers in the evolving global environment.

"असफलता एक चुनौती है, इसे स्वीकार करो, क्या कमी रह गई देखो और सुधार करो,

जब तक न सफल हो, नींद चैन को त्यागो तुम,

संघर्ष का मैदान छोड़ मत भागो तुम, कुछ किए बिना ही जय-जयकार नहीं होती,

कोशिश करने वालों की हार नहीं होती।"
